Undergraduate majors in STEM – Science (natural & physical), Technology, Engineering & Mathematics

School of Allied Medical Professions

- Biomedical Science

Colleges of the Arts and Sciences

- Anthropological Sciences
- Art (art & technology)
- Astronomy
- Aviation
- Biochemistry
- Biology (education in life sciences, forensic biology, pre-health professions)
- Chemistry
- Communication (communication technology)
- Computer & Information Science (software systems, information systems, information & computation assurance, graphics/animation, artificial intelligence, advanced studies, business information systems)
- Entomology
- Evolution and Ecology
- Geography (atmospheric & climatic studies, GIS & spatial analysis)
- Geological Sciences
- Mathematics (traditional, education)
- Microbiology
- Molecular Genetics
- Physics (advanced physics, physics/math & engineering sciences, biophysics & biomedical physics, pre-med, secondary education physics certification)
- Plant Cellular and Molecular Biology
- Speech and Hearing Science
- Visual Communication Design
- Zoology

Fisher College of Business

- Information Systems

College of Education and Human Ecology

- Exercise Science Education (exercise science, health promotion)
- Human Nutrition (dietetics, nutrition in industry, nutrition & community health)
- Technology Education

College of Engineering

- Aeronautical & Astronautical Engineering
- Aviation
- Biomedical Engineering
- Chemical Engineering
- Civil Engineering (civil, environmental)
- Computer Science & Engineering
- Electrical & Computer Engineering (electrical, computer)
- Engineering Physics
- Food, Agricultural & Biological Engineering
- Geomatics Engineering
- Industrial & Systems Engineering
- Materials Science & Engineering
- Mechanical Engineering
- Welding Engineering

School of Environment and Natural Resources

- Environmental Policy & Management (environmental consulting, environmental health & safety, resource management agencies, non-profit sector, graduate school preparation, law school preparation)
- Environmental Science (land, soil science, waste management, water)
- Forestry, Fisheries & Wildlife (forestry & wildlife, urban forestry & wildlife, fisheries & wildlife, forest ecosystem science &

- management, fisheries science, wildlife science, wildlife & pre-vet science)
- Parks, Recreation & Tourism (community recreation leadership & management, ecotourism & adventure program administration, environmental education & interpretation, park & recreation law enforcement, recreation resource management – wildland recreation management or urban park & golf course management, recreation resources planning)

College of Food, Agricultural and Environmental Sciences

- Animal Sciences
- Crop Science
- Food Science
- Landscape Horticulture
- Nutrition
- Plant Health Management
- Turfgrass Science

College of Nursing

- Nursing

College of Pharmacy

- Pharmaceutical Sciences
